

**REMARKS**

Entry of this amendment after final is appropriate because it places the case in condition for allowance. Claims 15-19, 35 and 36 are canceled herein without prejudice to Applicants' right to pursue patent protection for the subject matter thereof in one or more continuing patent application. Claims 1-9, 11-14, 20, 21, 23-29, 32, 34, 37 and 38 were indicated as allowable in the Office action dated November 6, 2009.

Claim 2 is amended herein to clarify that the "the port" at the end of the claim is "the fluid suction port." The term "fluid suction" was mistakenly not inserted in place of "second" when "second" was removed in Applicants' response dated October 2, 2009.

Claims 1-9, 11-14, 20, 21, 23-29, 32, 34, 37 and 38 are now in condition for allowance.

**Conclusion**

In view of the foregoing, favorable consideration and acceptance of claims 1-9, 11-14, 20, 21, 23-29, 32, 34, 37 and 38 is requested.

The Examiner is hereby authorized to charge any additional fees due or credit any over-payment of fees to Deposit Account No. 19-0254.

Respectfully submitted,

/Kurt F. James/
